Letra completa :

Risk my soul, test my life
 For my bread
 Spend my time lost in space
 Am I dead?
 Let the river flow
 Through my callused hands
 And take me from my own
 The eyes of the damned

It makes my stomach turn
 And it tears my flesh from the bone
 How we turn a dream to stone

And we all die young
 Yeah we all die young

Tell me I know
 I lived so afraid
 And still we cry alone
 With words left unsaid

Yeh it makes my stomach turn
 And it tears my flesh from bone to bone
 How we turn a dream to stone

And we all die young
